

**SEMINAR:**  
**Quality Management System - Requests of Standard ISO 9001:2015**  
**Chamber of Economy of Montenegro**

Seminar on introduction to the new edition of the standard ISO 9001 was held October 6, 2015, in Chamber of Economy of Montenegro. The subject of seminar was the Quality Management System - Requests of Standard ISO 9001:2015. The aim of the seminar was the presentation requirements of the new standards ISO 9001 which was published in September this year as well as changes in relation to the issue of standards from 2008. The seminar was attended by 30 representatives of organizations from Montenegro who already have established a quality management system in accordance with the old standard edition and want to harmonize their business with ISO 9001: 2015.

Trainers from the Centre for Quality, University of Montenegro, Prof. dr Zdravko Krivokapic, Doc. dr Jelena Jovanovic and Prof. dr Aleksandar Vujovic pointed that the establishment of Quality Management System in accordance with ISO 9001:2015 can help organizations to improve its overall performance and to establish a basis for the development of initiatives for sustainable development of the organization. At the seminar, special attention was focused on key changes in ISO 9001:2015, as follows: a new structure of standard and terms used, the obligation of understanding the context of the organization, the importance of leadership and management processes, the obligation of risk assessment.

The seminar was interactive type where representatives of organizations actively participated. In accordance with Agenda lecture on "Linking organizations through international projects" was held. The seminar participants expressed their interest to hold similar seminars.

The seminar was a good opportunity that the director of the Montenegrin certification body SETI.ME, mr Miodrag Perović gives the certificate of ISO 9001 to the director of the Center for Quality, professor Krivokapic.
